About the GOAHEAD Theological Seminary and College's Degree

GOAHEAD Theological Seminary and College Academy fundamentally acknowledges the contents of the Apostles' Creed and the Lord's Prayer, and lives a life of faith that believes in and practices the Ten Commandments as a promise that God has given us to uphold the standards of faith.

The basic education of this seminary is to train pastors and missionaries, and to teach sound doctrines of the denomination, especially based on the theology of Martin Luther, a religious reformer.

The sound denominations universally recognized by this seminary are defined as Lutheran, Presbyterian, Methodist, Baptist, Full Evangelical, Holiness, Nazarene, and Episcopal, etc., which are not universally independent.

Regular theological courses are taught online, and academic ability is assessed through exams and papers regardless of the course period, and graduation is decided through a committee meeting.

Alternative medicine and health supplement education programs that support health cannot offer degrees. Instead, they will award certificates that can be used in pastoral settings. Education will be provided through both online and hands-on experience.

Although the honorary doctorate has nothing to do with theology, it must not deny the fundamental Christian doctrines pursued by the school for the honor of the school, and the recipient must be someone who contributes to the service of humanity.
