Go- Ahead Mission Nepal – Monthly Ministry Update

"Grace and peace to you from God our Father and the Lord Jesus Christ." – Romans 1:

Summary Report-month of July -2025

Grace and peace to you in the name of our Lord Jesus Christ!

We give heartfelt thanks for your faithful prayers, generous support, and unwavering partnership. Your love continues to uplift and empower our mission as we serve the vulnerable and proclaim the life-changing gospel throughout Nepal.

Ministry Highlights

Feeding Project

By God's grace and your support, we've been able to provide essential food supplies to orphaned and differently-abled children living in an orphanage. These precious lives are now receiving not only physical nourishment but also love and hope. Please continue to remember them in your prayers.

☐ Church Ministry — Go-Ahead Community Church

Our church is growing both spiritually and in number! We rejoice as new individuals hear the gospel, join our fellowship, and begin their walk of faith. Pray with us for deeper spiritual growth and lasting transformation in our community.

Education Ministry – Go-Ahead Kids Center

In response to the lack of access to quality education, we launched the Go-Ahead Kids Center—a free, safe learning space where children study, grow, and receive nutritious meals. It is a joy to witness their smiles as they learn and experience God's love daily.

Prayer Requests

Flood-Affected Families

Please pray for families recently affected by devastating floods. Many have lost homes and livelihoods. Ask the Lord for comfort, restoration, and provision for every need.

™ Goat-Giving Project

This sustainable livelihood initiative provides goats to struggling families, helping them generate long-term income. Pray for its growth, effectiveness, and lasting impact.

7 Growth of Go-Ahead Community

Children's Ministry

Pray that our ministry among children remains fruitful, nurturing a new generation rooted in God's Word and His unfailing love.

Thank you for standing with us in this mission. Your generosity is a powerful testimony of God's provision and faithfulness. May He bless you abundantly and multiply your kindness for His eternal glory.

With heartfelt gratitude,

In Christ's Service,

Go-Ahead Mission Nepal
